We are delighted to announce the 1st Joint Meeting of JIVD and ERCA which will take place in Barcelona from the 15th to the 17th of March 2012.

Both Associations are well known to health care professionals – JIVD in the field of home mechanical ventilation since 1989 and ERCA in the field of respiratory care since 2003. The common objectives of both associations are to promote the knowledge and understanding of disease, to educate and to share experience in order to ensure optimal patient respiratory care.

We aim to work closer together to enhance our respective knowledge and optimize our resources. With the help of an international advisory board, each association has drawn up its own scientific program reflecting their respective specificity, as well as organizing some joint sessions.

We look forward to combining our efforts and experience to offer a convivial meeting which will be of great scientific interest to all those involved in home mechanical ventilation and respiratory care – physicians, paramedical staff, technicians, home care providers, patients, psychologists, administrative staff ...

We hope many of you will join us for this unique exchange and learning experience in the fun city of Barcelona!

*J. Escarrabill, P. Léger, D. Robert

↘ CATERING

Lunches and coffee breaks are not organised by the congress, but catering is available within the congress hall.

↘ ACCOMMODATION

Grupo Pacifico, the Barcelona agency in charge of accommodation, has created a booking service specifically for our congress on our website www.jivd-france.com. In particular, this presents hotels which are located close to the congress centre, on the n° 3 subway line; this line also provides access to most tourist sites.

To book a group of rooms, please contact Grupo Pacifico, email address below.

After March 1st, Grupo Pacifico will no longer be able to commit to hotel bookings. In view of the significant number of events and tourists in Barcelona, we strongly encourage you to book your accommodation as early as possible.

Website prices **include** tourist tax and breakfast.

Bookings are guaranteed by payment of a one night deposit and all bookings must be guaranteed by a bank card number, whatever payment method is used. The balance will be directly payable at the hotel.

Warning: cancellation conditions

- Cancellation before January 10, 2012: deposits will be refunded minus € 50 per room for cancellation costs,
- Cancellation between January 11, 2012 and February 15, 2012: cancellation fees correspond to one night,
- Cancellation after February 16, 2012: cancellation fees are 100% of the stay.

Hotel booking confirmation will be sent to you directly by Grupo Pacifico with all practical information when payment is confirmed.

If you have a problem, please contact Grupo Pacifico directly:

↳ TRANSPORT

BY PLANE:

El Prat airport is 16km from the city centre (30 min approx). Please note that Easyjet and Ryanair operate regular flights to Barcelona from numerous European cities.

A regular shuttle bus **Aerobús (A1 and A2)** runs every 10 minutes, from 6:00 am to 1:00 am, from the airport to the city centre via the Plaça d'Espanya which is very close to the congress centre (see map). Tickets can be bought on the bus (approximately 5,30 € single).

BY TRAIN:

The main Spanish and foreign station is Estació de Sants, in particular this is where trains from Montpellier arrive. The station is close to the congress centre: 2 subway stations on the green line n° 3 (see map).

High speed trains connect Barcelona to Madrid (2:38h) and Saragossa (1:29h).

BY ROAD:

Barcelona is only 640 km from Bordeaux or Lyon. The French motorway network connects with the AP-7, N-11 and C32 Barcelona motorway. The city centre can be accessed either by ring-roads ("rondas") or by the Avenue Meridiana to the centre.

For the rest of Spain, enter the city on the AP-2 motorway, and then take the Avenue Diagonal.

A paying car park is available opposite the congress centre.

↳ PUBLIC TRANSPORT

The TMB network is very dense: bus, tram, and subway. The subway is very easy to use and has 8 lines; these are identified by specific colours and numbers. Open from 5 a.m. to midnight (2 a.m. on Fridays and 5 a.m. on Saturdays).

The congress centre is located in **Montjuïc**, between the foot of the Montjuïc hill and the Plaça d'Espanya, just a few minutes from the **Espanya** train station on green line n° 3 which also passes through tourist centres, and on red line n° 1 (see map).
